

JUMBO⁴⁰

Big mobile LED screen with large control room

Smallest footprint

The *JUMBO⁴⁰* needs only 2,5 m by 13,6m of space. There are no extendable legs needed. Powergenerator - 40sqm screen - large control room & sound. This winner takes it all.

Ideal for promotional tours

The *JUMBO⁴⁰* has a unique feature: A 15 cubic meter big compartment. Here you can stow your promotional items. Heavy or large items can be transported with the integrated lift.

Side panels for Branding

The *JUMBO⁴⁰* can be equipped with your logo or message:
Screen: 2x 10 m² branding surface
Trailer: The whole body can be wrapped with your logo's, pictures or messages.

TUV-approved

The *JUMBO⁴⁰* was built according to the strictest guidelines for safety. It can resist wind loads till 8 Beaufort.

The *JUMBO⁴⁰* is the smallest brother in the *JUMBO* range. Besides the 40sqm screen, it is also equipped with a huge control room. This screen is perfectly suited for events where a live-mix is required.

eg: festivals, cycling events, Formule 1
