

Mobile¹¹

High Quality mobile LED screen

11 sqm Mobile LED Screen

4,40 m x 2,40 m, perfect 16:9 ratio

Barco's Ultimate Image Quality

Barco's C8 is the next standard in outdoor LED. It is more bright and has a higher definition than any other screen in the market. Seeing is believing!

Closed Trailer Design

Due to the closed design, there is a small control room. In this room there is enough place for a laptop or other personal equipment. Your belongings remain safe, due to the lock mechanism

TUV-approved

The *Mobile¹¹* was built according to the strictest guidelines for safety. It can resist wind loads till 8 Beaufort.

The *Mobile¹¹* is the best outdoor LED display we have. The reason? Simple, it has BARCO C8 in it. This screen has a very good resolution combined with a stunning DX700 processing. This is the best screen you can find. Especially when people are standing close to the screen.
